

As educators at Destiny, our priority is to partner with you to:

Discover and articulate the destiny of your child.

Give your child an edge to succeed.

Tailor a teaching style to unleash your child's learning potential.

Build a life portfolio of your child's unique talents and interests.

The MLE Advantage

One to one assessments to discover his/her learning style.

Weekly development that sharpens cognitive skills.

The tools to becoming a problem solver with "out of box" entrepreneurial thinking.

The advantage of being an independent thinker who knows how he/she learns.

A safe, stable, nurturing, environment where every child is valued.

Small classrooms with teachers trained in mediated learning.

Some Parents Had To Say

Destiny builds confidence in learning and encourages every child to excel.

Michael, Grade 5

We are pleased with the sense of community and excellent learning tools that are provided to our children by Destiny Christian School.

Christina, Grade 4 and Joshua, Grade 1

Destiny offers our son a safe environment. It has given him a learning edge for his unique ability to comprehend, which gives him greater self confidence.

Colten, Grade 6
